

JOURNAL OF EPIDEMIOLOGY & Community Health

In this issue

757 **Power, pestulance, weather, and war** *C Alvarez-Dardet, J R Ashton*

The JECH gallery

758 **Sydney's school photos** *J R Ashton*

791 **Alice Hamilton, MD: gaining visibility for industrial medicine** *D F Salerno, I L Feitshans*

Speaker's corner

783 **Understanding the functional components of public health surveillance** *B C K Choi, M Ackland*

Aphorism of the month

808 **The need for strategic underview** *J R Ashton*

Editorials

759 **Weather, climate, and public health** *F Ballester, P Michelozzi, C Iñiguez*

760 **Iraqi reconstruction: for an empowerment process** *V Ridde*

762 **Whose health is it anyway?: enabling participation** *E Russell, C Smith*

763 **Shoes and lower limb osteoarthritis** *E Pascual*

Evidence based public health policy and practice

766 **Monitoring the severe acute respiratory syndrome epidemic and assessing effectiveness of interventions in Hong Kong Special Administrative Region** *P H Chau, P S F Yip*

770 **Host and environment are key factors** *A Lee*

770 **Virus pathogens suggest an autumn return** *A S M Abdullah*

772 **Identification and control are the priority** *G Rezza*

772 **Sporadic contact with unfamiliar source makes epidemic unlikely** *T W Wong*

773 **Future outbreaks will be less dramatic** *L Y Hsu, N I Paton*

774 **Vigorous controls minimise risk** *S H Lee*

775 **Avoid complacency — prepare for the worst** *J J Y Sung*

776 **Out of the woods or in the eye of the storm?** *R A Chotani*

777 **Learn from influenza epidemiology** *M Regan*

Continuing professional education

778 **Life course epidemiology** *D Kuh, Y Ben-Shlomo, J Lynch, J Hallqvist, C Power*

Research reports

784 **Excess winter mortality in Europe: a cross country analysis identifying key risk factors** *J D Healy*

790 **Cold related mortality in England and Wales; influence of social class in working and retired age groups** *G C Donaldson, W R Keatinge*

792 **Labour market income inequality and mortality in North American metropolitan areas** *C Sanmartin, N A Ross, S Tremblay, M Wolfson, J R Dunn, J Lynch*

798 **Socioeconomic status and tobacco expenditure among Australian households: results from the 1998–99 Household Expenditure Survey** *M Siahpush*

802 **Socioeconomic status over the life course and stages of cigarette use: initiation, regular use, and cessation** *S E Gilman, D B Abrams, S L Buka*

809 **Women brothel workers and occupational health risks** *J Cwikel, K Ilan, B Chudakov*

816 **Central and total obesity in middle aged men and women in relation to lifetime socioeconomic status: evidence from a national birth cohort** *C Langenberg, R Hardy, D Kuh, E Brunner, M Wadsworth*

823 **An investigation of risk factors for symptomatic osteoarthritis of the knee in women using a life course approach** *J Dawson, E Juszcak, M Thorogood, S-A Marks, C Dodd, R Fitzpatrick*

Theory and methods

831 **A simple approximate mathematical model to predict the number of severe acute respiratory syndrome cases and deaths** *B C K Choi, A W P Pak*

836 **Hygieia** *M Muir*
